About SBP

SBP, a social impact organization focused on disaster resilience and recovery, **solves the challenges facing at-risk communities** and scales impact with a proven model that brings the rigor of business and innovation to reduce risk, create resilient communities and streamline recovery. By taking this holistic approach, SBP shrinks the time between disaster and recovery.

SBP does this in three connected ways—prepare, shape and build

1. SBP **prepares** individuals, communities and organizations to mitigate risk and speed recovery.
2. SBP **shapes** federal policy and system change and state and local disaster recovery programs to be more efficient and effective.
3. SBP **builds** resilient communities efficiently and effectively and shares our proven model and approach with others.

Position Summary

The Client Services Manager oversees all aspects of SBP's Owner Occupied Rebuilding Program (OOR) that returns qualified homeowners into safe and secure housing after Hurricane Harvey. OOR provides repair/rehabilitation services for low to moderate income homeowners who lack the resources to fix their damaged properties. The Client Services Manager supervises a team of 4-6 full time AmeriCorps members who provide high quality case management services. The Manager ensures that the goals for the program are met while adhering to all funding and program requirements. The Manager also works closely with the construction and volunteer team to ensure a steady queue of projects and volunteer friendly work.
